IV. Plans:

- A. Nejad-Final- First time review
- B. Thompson-Toyota Revised Preliminary
 - i. Reviewed in November 2011- After discussion the EAC requested that Mrs. Zadell furnish a memo to the Planning Commission and the developer that states that they install storm drain markers and that the developer provides some clarification regarding the storm water on page two it refers to a "detention basin subsection". The EAC is confused because the plan only really indicates that there is an underground infiltration basin.
 - ii. The EAC met on September 9th, 2008 and reviewed the Thompson Organization Proposed Dealership Expansion Plan. The EAC would like to see a cross-section of the sub-surface infiltration bed as it seems to be missing a detail on page 19.
