

**Doylestown Township
Public Water & Sewer Advisory Board Agenda
June 16, 2016 @ 5:30 PM**

- **Minutes Approval from May 19th**
- **Guest Introduction (if any):**
 - **DEP representative June 29th at 2pm.**
- **Review and Discuss email dated June 14th from Rick Colello outlining responsibilities of the Board. (see attached)**
- **Updates Phase 1: (from Stephanie and Dick)**
 - **Status of easement negotiations**
- **Review Updated Maps for Phase 2 & 3 with added layer of data:**
 - **Discuss if a "need" is present in either Phase to continue evaluation.**
 - **If no need is determined discuss both Phases remaining in Septic Management Program and determine a future time for further review.**
 - **Discuss area of Township accessible from Warwick that may be in need of sewers. This is a follow up from our discussion in May.**
- **New Business / Announcements:**
 - **Timeline to update 537 Plan (TBD after DEP meeting in June)**
- **Adjournment**

Next meeting 5:30pm July 21, 2016
