Budget Introduction

We are pleased to present the Doylestown Township 2023 Preliminary Budget for public examination. This budget was formulated after a six-month review process that involved collaboration between the Township's Board of Supervisors, the Township Manager, Department Heads, the Finance staff, and the Ways & Means Committee. It will be presented to the Board of Supervisors for consideration on November 15, 2022 and be on the agenda for Board adoption on December 20, 2022.

This Budget Book includes a forecast of expected 2022 financial results (the 2022 Forecast), the 2023 Preliminary Budget, and projections of future budgets for 2024 through 2027. A summary of these results is discussed below, with more detailed information in the following sections of this document.

This year's budget discussions were dominated by four main priorities coupled importantly with continuing to provide desired services for residents. Those priorities were:

1. Continued accelerated maintenance on the Township's 77 miles of roads
2. Construction of a group of Parks upgrade projects including a new Community Recreation Center, reconstructed Basketball/Tennis/Pickleball courts, revitalized Bocce Courts, and construction of Public bathrooms in the vicinity of the Amphitheater and Kids Castle in response to residents expressed desires
3. Ensuring an appropriate level of funding for future Township pension obligations
4. Providing funding for desired future Capital projects

All four priorities are met in this 2023 Preliminary budget.

The 2022 Financial results are forecast to be better than budget by \$0.4m, and the 2023 Preliminary Budget is balanced, with \$13.7m in Revenue, and \$13.7m in Expense. We will summarize these forecasts in three major pieces – Operations Revenue, Operations Expense, and Capital Spending.

2022-2023 Operations Revenue – please refer to Figure 1-1

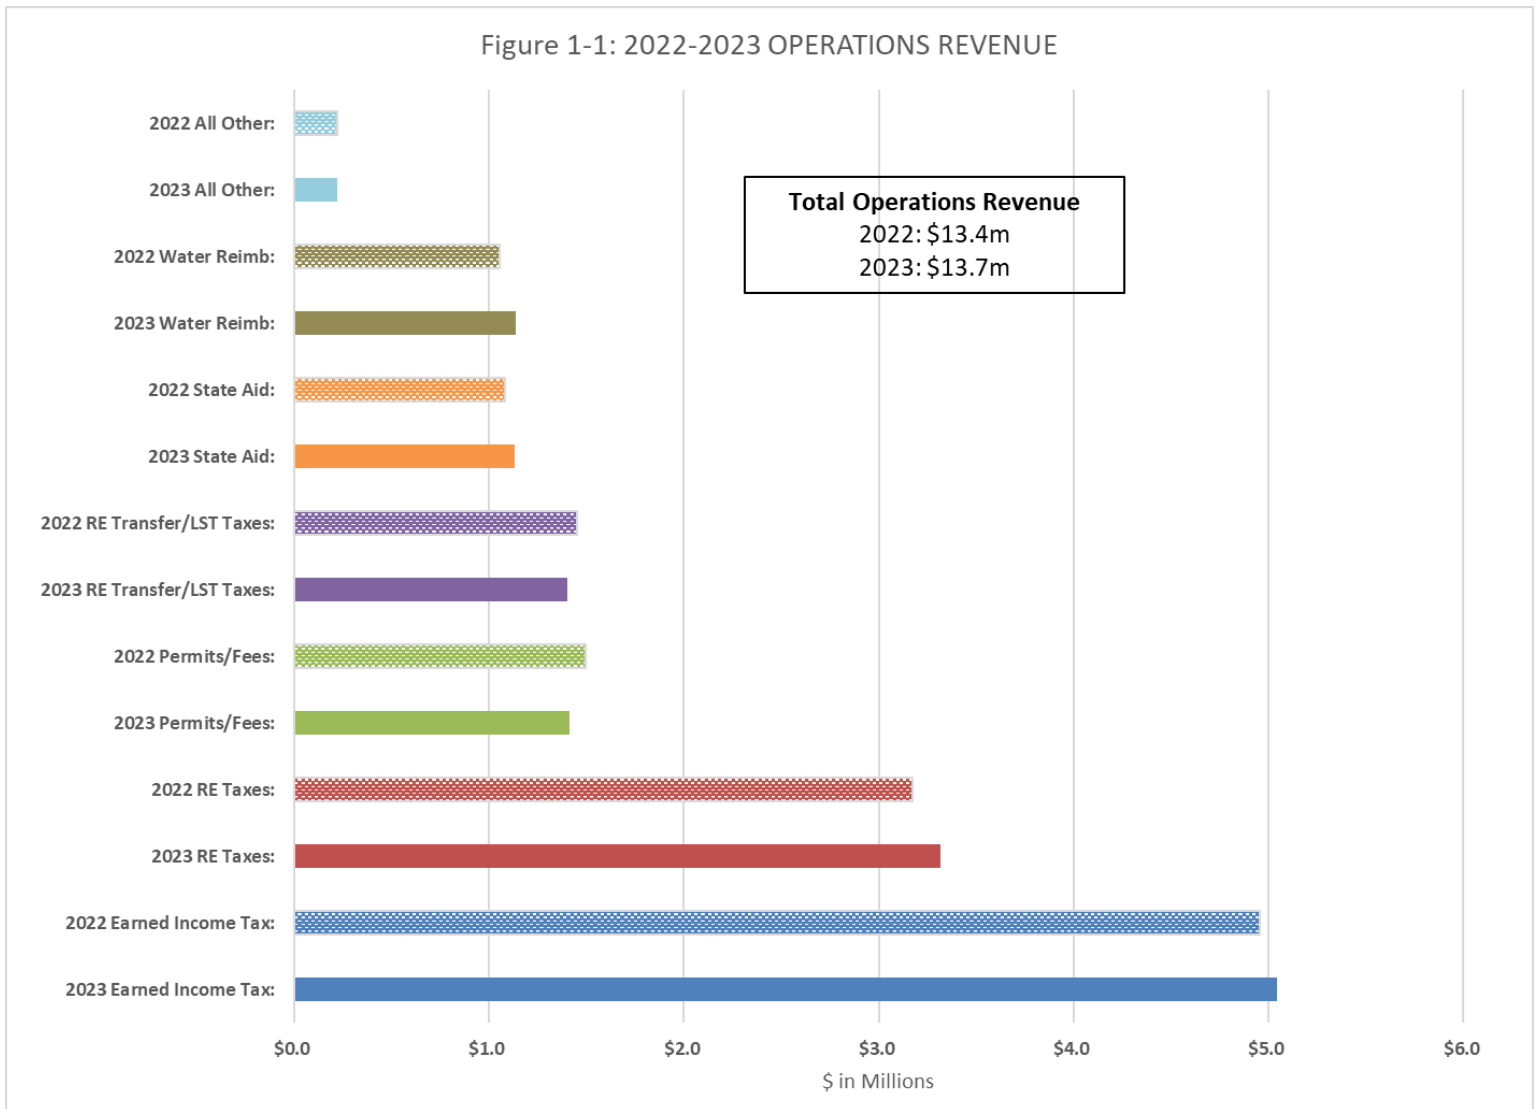

Revenue for 2022 is expected to reach \$13.5m and increase to \$13.7m for 2023. The increase is due mainly to continued growth in Earned Income Tax (EIT) to \$5.0m in 2023, and stronger Real Estate tax receipts.

EIT continued to recover from the pandemic in 2022, up almost \$0.1m from 2021, and almost \$0.3m above the 2022 budget. We are forecasting 2% growth in 2023/\$0.1m, and continued growth at the historical 2% rate thereafter.

Real Estate taxes were raised in 2022 to fund Road maintenance to finish the Pebble Ridge Woodridge project and to match the rise in payments for the loan that completed the Administration/Police Building and financed most of the curb replacement work in the Pebble Ridge Woodridge project. The 2022 tax increase was matched by a reallocation from the General Fund to support the same projects. No tax increase is proposed for 2023, though reallocations of millage from Roads and Bridges to Debt Service and Parks are proposed to support those funds.

RE Transfer taxes and Building Permits are the only negatives in our 2023 Revenue outlook, as we reflect caution on the short-term prospects for property sales and for large building projects.

Figure 1-1: 2022-2023 OPERATIONS REVENUE

2022-2023 Operations Expense – please refer to Figures 1-2 and 1-3

Expenses for 2022 are expected to reach \$13.0m and increase to \$13.7m for 2023. Salaries and Fringes have the largest increases, while Operations expenses are close to breakeven. The items having the largest increase year to year are:

- \$0.4m - Salaries grew by 3.5% for Police/4.0% average for Non-Uniform staff, including the full year effect for new Non-Uniform employees, and anniversary step increases for 6 Patrol officers
- \$0.2m – Pension MMO payment increases
- \$0.1m – Medical & Rx payment increases
- \$0.04m – Other Operations expenses

Figure 1-2: 2022-23 Operations Expense

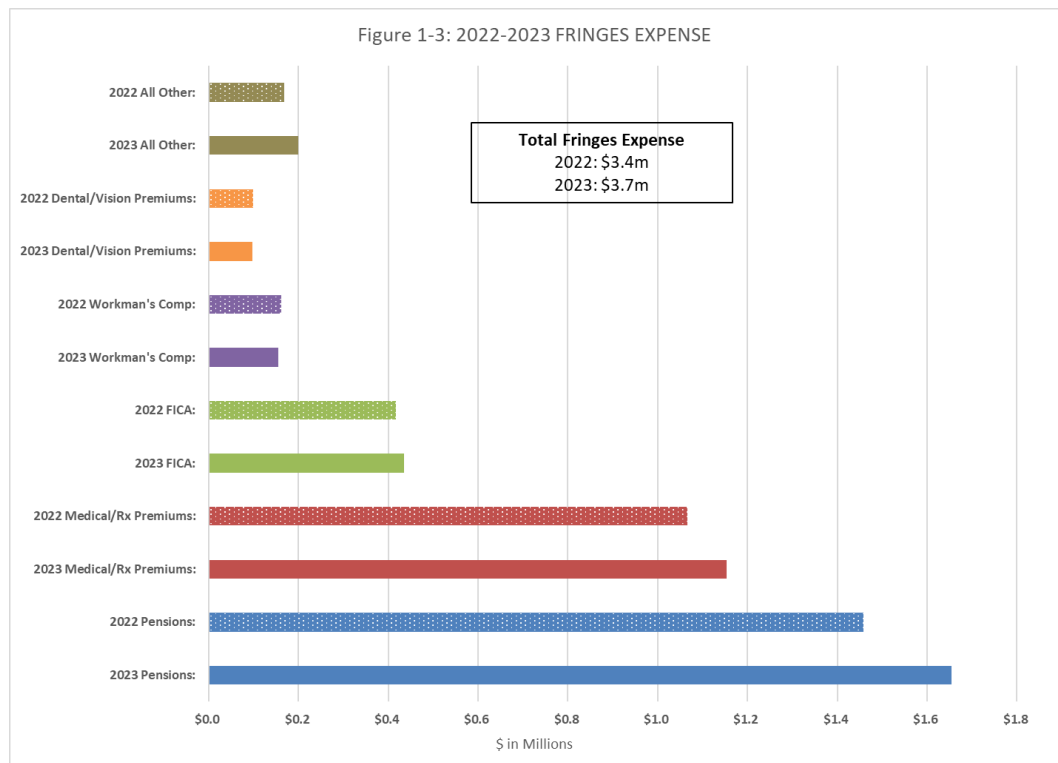

Figure 1-3: 2022-2023 FRINGES EXPENSE

Note: Unallocated Fringes includes FICA, Workman's Comp, Dental & Vision, Post Employment health coverage

Capital Expense – please refer to Figure 1-4

Capital Expense for 2022 is expected to reach \$5.3m and increase to \$17.3m for 2023. The three biggest individual year-to-year increases are:

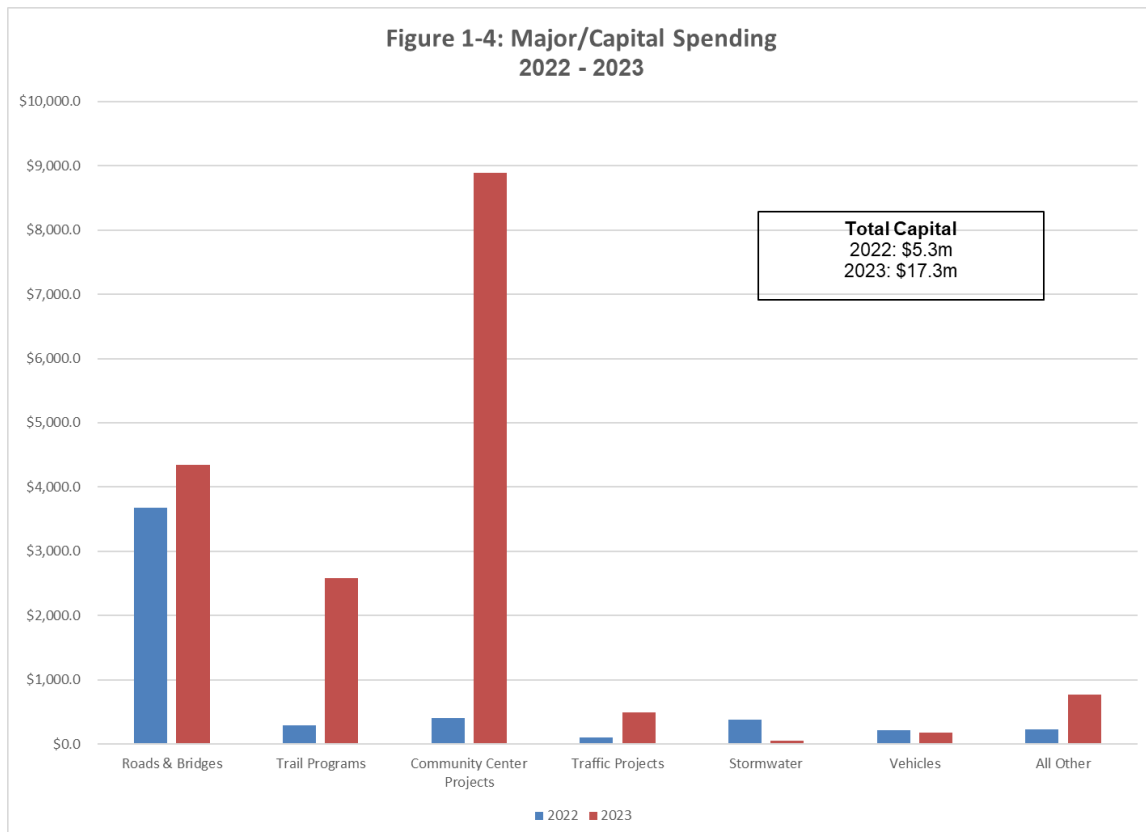

- Startup of the Community Center construction projects - \$0.4m to \$8.9m
- Continuation of the Accelerated Roads maintenance program - \$2.0m to \$3.8m
- the construction phase of the Safe Route to School Trail program - \$0.3m to \$2.2m

The cost of the Community Recreation Center construction projects will reach \$8.9m in 2023. Construction will occur in 2023 and 2024 and be funded by Bond borrowings at those times, Grants (\$1.5m already received), and fund raising. The scope of this project has been expanded to include a new Community Recreation Center building, relocation and revitalization of the Tennis/Basketball/Pickleball courts, revitalization of the Bocce courts, and construction of bathrooms to serve the Amphitheater and Kids Castle.

Accelerated Roads maintenance will continue in 2023, increasing from 10 miles completed in 2022 to 15 miles in 2023. Funding for this second phase will be by Borrowing, with the Debt Service payments covered by future reallocations of Road Tax millage.

Here is a table of the categories of expected spending (\$ thousands):

Category	2022	2023
Roads & Bridges	\$3,680.4	\$4,342.0
Trail Programs	\$289.7	\$2,584.0
Community Center Projects	\$400.0	\$8,884.6
Traffic Projects	\$100.0	\$495.0
Stormwater	\$376.3	\$52.0
Vehicles	\$219.6	\$181.4
All Other	\$229.4	\$766.1
Total	\$5,295.4	\$17,305.1

2024 – 2027 Five Year Budget Perspective

As already described, the budget process involved a review of past spending and revenue patterns to produce a 2022 Forecast and a 2023 Preliminary Budget. The next step in the process produced a projection of future spending and revenue by Finance at a partially summarized level for four more years using clearly delineated assumptions. These assumptions and the results and issues so identified are then reviewed collaboratively with Department Heads, the Township Manager, and the Board of Supervisors and the Ways and Means Committee in three public Budget Workshop sessions. The rationale for completing these projections is to provide context to the financial decisions that are part and parcel of the 2023 Preliminary Budget. The important achievements of the 2023 Preliminary Budget Plan over the period 2024 – 2027 (shown in Section 4) include:

- Continuation of the Township’s ability to provide the many desired resident services;
- Providing funding to complete \$8.2m in Road restoration (38 miles) over the period 2023-27, including
 - Regular Road maintenance programs totaling \$7.1m
 - Bridges maintenance of \$0.9m.

These programs will be funded by using State Liquid Fuels aid (\$1.2m), borrowing (\$2.7m), and by the Real Estate Road Tax;

- Providing funding for Community Recreation Center projects (\$10.3m total) by borrowing a total of \$7.9m in 2023 and 2024, with spending extending over those years, and by using Grants (\$1.5m), fundraising and fund reallocations for the balance. The associated Debt Service repayments will start in 2024;
- Providing funding for accelerated payments into the Township’s Defined Benefits pension plans in accordance with the recommendations of the Pension Advisory Committee. The 2023-2027 plan incorporates payment levels using a Discount rate of 7.25% for 2023, 6.75% in 2024 and 2025, and 6.00% in 2026 and 2027, with \$0.16m in additional payments in 2023 and 2025. Pension payments at this level require additional support to the General Fund, so this budget contains a 1.825 mill Real Estate Tax increase in 2024 and 2025. The amount and timing of this increase will be the subject of further review and discussion during the 2024 Budget process;
- Using America Rescue Plan funding (\$0.9m) to support the unfunded mandate spending required to upgrade our Stormwater infrastructure, along with a Grant for a like amount;
- Providing funding for Capital projects starting in 2024 for those projects for which there is no external funding. Those borrowings will occur over time, as needed, and are expected to reach \$2.2m by 2027, requiring 0.5 mill of Debt Service millage for coverage;
- Matching the projected rise in Debt Service obligations that are the result of the Community Recreation Center projects and the borrowing for Capital projects, the 2023-2027 plan includes Real Estate Tax increases in 2024, 2025, and 2026 totaling 2.275 mills total (1.775 for the Community Center, 0.5 for Capital borrowing), estimated to cost the average household \$93 per year. The amounts and timing will be the subject of further review and discussion during the 2024 Budget process;
- Providing average Non-Uniform staff average salary increases of 4.0% in 2023, and 3.25% over the 2024 - 2027 period. Uniform staff increases will be at the current contractual rate of 3.5% for 2023 and are forecast at 3.5% over the five-year period, all subject to the final agreement reached during negotiations now underway to establish a new Police contract. Please note that the increase percentages shown in the Section 4 data tables for 2024 – 2027 are lower than described above, as we have applied a Vacancy Factor reduction to account for future staff turnover (0.75% for Police; 0.5% all other);
- And by prudent management of the Township’s fund balances, this budget leaves the Township with healthy 2027 balances in all Funds, including the General Fund, whose 2027 ending balance is projected to be \$1.6m/10.0 % of the 2027 Operational spending, meeting our target of 10% in the fifth year.

The overall result of the Budget forecast over the five-year period is shown below. It combines a tabulation and graphs of key Fund Balances.

		2023 Preliminary Budget						November 3, 2022

2023 BUDGET PLANNING

Township Budget Process - 2022 Schedule of Events

February 3, 2022

2022 AVERAGE MUNICIPAL TAX BURDENS

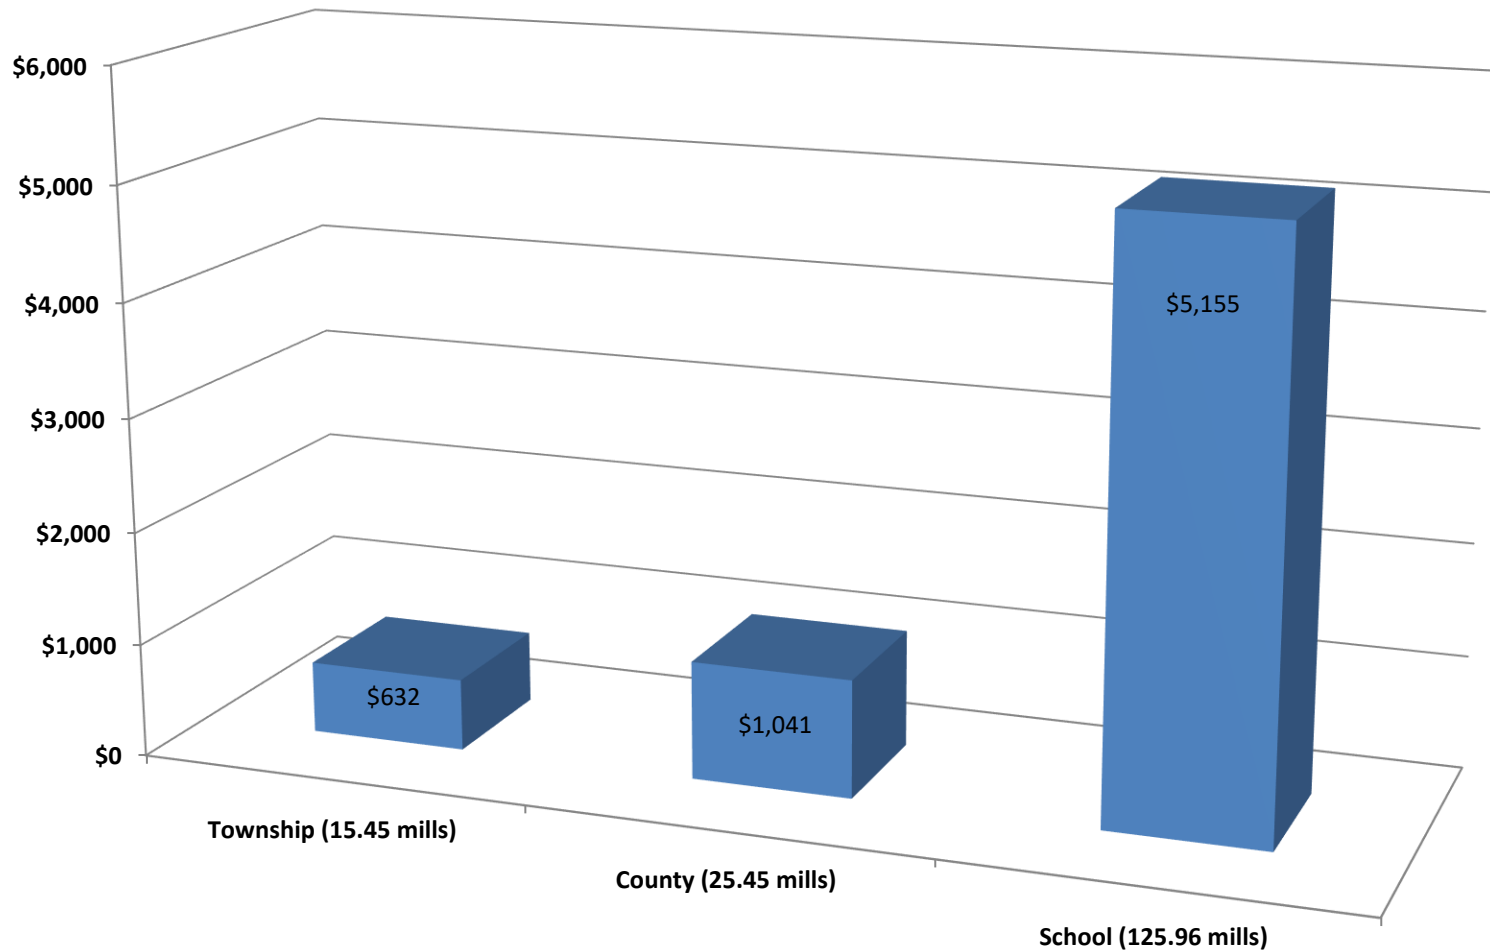

Municipality	County	Average Residential Assessment	Number of Residences	Municipal Millage	Municipal RE Tax
New Britain Borough	Bucks	\$25,294	931	31.8750	\$806.25
Upper Southampton	Bucks	\$29,106	5,480	26.8800	\$782.36
Doylestown Township	Bucks	\$40,922	5,834	15.4500	\$632.25
Warwick	Bucks	\$40,472	5,331	15.2500	\$617.19
Warrington	Bucks	\$37,709	8,327	16.1200	\$607.87
Plumstead	Bucks	\$38,940	4,863	14.9400	\$581.77
Chalfont Borough	Bucks	\$31,091	1,566	18.2500	\$567.42
Doylestown Borough	Bucks	\$30,660	2,627	17.8400	\$546.98
New Britain Township	Bucks	\$35,631	4,152	13.0625	\$465.43
Lower Southampton	Bucks	\$25,537	6,631	14.0800	\$359.56
Buckingham *	Bucks	\$49,869	7,403	4.0000	\$199.48

* Very low because Earned Income Tax is much larger source of Revenue

Doylestown Township Average 2022 Residential Real Estate Taxes for Township, County, and School District

(1 mill = \$275,013)

Average Residential Assessment = \$40,922

FOREWORD - FIVE YEAR PROJECTIONS

This section is included in the Budget Book to provide a longer range context to the Current Year Forecast and the Preliminary Budget. The Township's budgeting process starts with each Department Head developing detailed forecasts (at the account number level) for the Current year and for the new Budget year, which is thoroughly evaluated and vetted by the Finance department and Township administration. These results are then projected forward on a somewhat more summarized level for an additional four year period using assumptions about growth rates, and by adjusting the projections to account for any particular items about which we are able to make reasonable assumptions.

The results of this analysis are displayed and reviewed in the reports that are shown in this Section's pages. Those pages contain all of the same information you've already seen for the past, current and new year - shaded on these reports - and add figures for the following four years. These projections give Township administration and the Board of Supervisors a projection of the Township's financial posture over the next five years. The purpose of this exercise is to evaluate the effect of current or short term financial actions and policies on a longer term horizon, and thus to give an early indication of possible future problems or benefits.

The Supervisors review the budget proposals and alternatives in a series of public meetings throughout the year that culminate in a formal budget proposal being presented , considered and voted on in two public meetings at the end of each year. (See the Budget Process diagram in Section 1 for more information on this topic.) At the conclusion of the budgeting process, the Board of Supervisors acknowledge the forecast for the current year, and give formal approval of a budget for the next year. NO APPROVALS are given for the revenues and spending contained in the projections for the four years beyond the new year. Those projections, having been thoroughly and publically reviewed during the budget process, are meant to reflect a likely operating plan should the circumstances turn out as predicted. Since in some cases, projects and circumstances change, a fresh evaluation is prepared in each yearly budget cycle to update the outlook for the future.
