Use the recent letter from the development off of Edison-Furlong near 611. Additional discussion of all residential streets and their speed limits. Analysis of development/local streets to be done, using streets classification. Chief initiated a speed analysis of the streets in this area, so that we have a uniform picture of current status. About 30% of the streets have already been collected. This will be a medium term project. We should wait until all of the stats have been collected from this area, and the updates on the road classification spreadsheet are completed, before making any decisions. <i>[See attachment: Piperino - Pebble Valley.pdf]</i> | <p>Mark / Chief Logan</p> <p>Mark / Chief Logan</p> |
