

## Public Water and Sewer Advisory Board Meeting Notes - 6/13/19

### In Attendance:

Dan Wood  
John Canterbury  
Andrea Susten  
Stephanie Mason  
Rick Colello

### Guests:

Rob Boquist - Stony Lane Circle  
Rebecca Boquist - Stony Lane Circle  
Quinn Boquist - Stony Lane Circle

**Secretary's Note:** This committee did not have enough members for a voting quorum during this meeting. The following are notes from the meeting, not official minutes.

### **Pebble Ridge Update**

*Provided by Stephanie Mason*

The project is working its way up from Almshouse Road and is expected to enter the Pebble Ridge area at Shady Brook Circle. Construction materials are there and waiting for continued work.

John Butler of Bucks County Water and Sewer Authority (BCWSA) presented an update at the last Board of Supervisors meeting. The plan is to split up into 2 crews once they reach the Pebble Ridge neighborhood to speed up installation.

BCWSA will be sending letters to residents when construction is approaching their homes/neighborhood to inform them of the timeline and instructions for how to hook into system.

May possibly add a map to the Township website showing the current progress of the project.

### **537 Plan Updates**

Carroll Engineering has provided the Township and this committee with a series of follow up questions, asking for our feedback so that they can continue working on the plan. Also included in this packet is a Task Activity Report that lays out the planning process for the 537 plan.
