CENTRAL PARK 9-HOLE DISC GOLF COURSE

Did you know that disc golf is recognized as one of the fastest growing sports?

Played a lot like traditional golf but Instead of a ball and clubs, players use a disc. Invented in the 1970's, disc golf is similar to traditional golf, with participants trying to complete each hole in the fewest number of strokes or "throws." The disc is thrown from the tee area to a target (the hole) which is typically an elevated metal basket. After a player throws down the fairway, the next shot is taken from the spot where the previous throw has landed. Trees and other natural landmarks located in and around fairways make the game more challenging. When the putt lands in the basket the hole is completed. The more you play the more fun it becomes.

FIVE REASONS TO TRY DISC GOLF:

1. It's essentially free once you have your disc golf equipment
2. It's more fun than you probably assume
3. You'll have a network of new friends
4. It's surprisingly good for your health
5. It's super easy to learn

Stop by DTOWN Disc Golf (www.discgolfmarket.com) for supplies and to learn more about this fun sport.

HALLOWEEN SAFETY TIPS

Before ghosts and goblins head out for Halloween, review these important safety tips.

- PICK THE RIGHT SIZE** - Make sure that costumes fit properly and provide a full range of motion.
- KEEP IT BRIGHT** - Dress your kids up in bright costumes or add reflective accessories to dark getups.
- BREAK OUT THE MAKEUP** - Since masks can obstruct vision, create the same idea with face paint.
- TEST IT OUT FIRST** - Try tout makeup in advance to make sure your child doesn't have a skin reaction.
- CHOOSE NON-FLAMMABLE FABRICS** - Choose costumes made of non-flammable materials.
- GET YOUR GLOW ON** - Light your kids up with glow sticks, flashlights and reflective tape.
- TAKE THE TINY TRICK-OR-TREATERS** - Little kids should always have an adult with them.
- GO AS A GROUP** - Travel together, stick to predetermined route, check in by phone regularly, set curfew to return home.
- CHOOSE WISELY** - Look for well-lit locations with pumpkins on display.
- STAY ON THE STEP** - Kids should never enter a stranger's home.
- FOLLOW THE RULES OF THE ROAD** - Cross the street only at established crosswalks. If you are driving in residential areas, take it slow.
- ASK FOR HELP** - Look for police officers if you require assistance.
- CHECK IT ALL OUT** - Before you let your kids dive in, dump the entire candy bag out and inspect it all.
- BE ALERT FOR ALLERGENS** - If you've got a child with allergies or food sensitivities, read the labels before handing over the candy.

SHARED USE TRAILS

Understanding Shared-Use Trail Etiquette can make trails more enjoyable for everyone, it's important that you understand trail etiquette. Follow these steps:

- Respect other users; expect other users. Show courtesy. Respect wildlife. Respect public & private property. Leave no trace.
- Be friendly and courteous. Greet other folks with a simple "Hello!" or "Nice day today!"
- Bicyclists should yield to everyone. Runners yield to walkers. Downhill traffic yields to uphill traffic. When in doubt, give other users the right of way.
- Announce yourself when approaching others, especially from behind. If you're in a group, avoid blocking the trail.
- Stay on the trail. Creating your own path or cutting switchbacks creates erosion, damages habitat and natural resources.
- Operate within your ability at all times. Remember that situations can get out-of-control fast if you're not attentive!
- Be considerate, keep dogs leashed and under control at all times. Other trail users don't know your dog is friendly.
- Bring water, snacks, maps, and other equipment you may need. Know where you're going and tell someone else your plan.
