(All Contractors to supply workers comp/liability insurance certificate naming Doylestown Township Municipal Authority as co-insured.)

To prevent contamination of the public water supply with water from outside sources, the property owner is responsible to provide **BACKFLOW PROTECTION** and to **ELIMINATE CROSS CONNECTIONS** by complying with the following:

The connection to Public Water is to be made in compliance with:

- Title 25, Chapter 109.709(A)(I) of the Pennsylvania Code
- The Safe Drinking Water Act
- Doylestown Township Ordinance No. 350
- The Pennsylvania Uniform Construction Code as amended
- The ICC International Plumbing Code 2009 and future editions

APPLICATION GUIDELINES: Forms also available at www.doylestownpa.org Make checks payable to DTMA

1. Enclose 3 copies of a site plan indicating the location of all water supply connection features; (piping, meter pits, back flow devices, shut-off valves, water heater expansion tank).
2. Provide 3 copies of equipment specifications/cut sheets for back flow devices, type of piping, etc., to indicate compliance with the Township ordinances and the ICC International Plumbing Code.
3. Complete the PLUMBING/SPRINKLER PERMIT APPLICATION for the new water connection and return with this Water Connection Permit Application.

PLEASE NOTE: The property owner(s) must sign this application to verify the contractor or tenant has permission from the property owner(s) to do all construction work authorized by the issuance of this permit.

The undersigned agrees to abide by all Ordinances and Regulations of the Municipality where the property is located; and all Resolutions, Rules and Regulations of the Doylestown Township Municipal Authority. The property owner further agrees to maintain the water lateral at no expense to the Municipality or Authority.

By signing this application, authorization is granted to any municipal representatives of Doylestown Township to access the above property as stated within this application and attached sub-trade permit application at any time, without an administrative warrant, to inspect and verify that any proposed use and/or structure contained within this application and/or that exists on the above property complies with all Doylestown Township zoning and building code ordinances. The application together with the signed site plan and construction documents is made part of this application by the undersigned. Furthermore, it is clearly understood and agreed to by the applicant and property owner that the Township office is not responsible for any property dimensions shown on the site plan and establishment of property lines is the sole responsibility of the property owner and applicant. The applicant and property owner also agree they are responsible for the replacement and repair of any township road to township standards which is damaged during the building of the permitted structure and understands that the information provided on this application by the applicant(s) and property owner(s) is true and correct to the best of their knowledge or belief. All information contained in this application becomes part of the Public Record.

By signing this application, the applicant certifies that all the information is correct and that the property owner has authorized work and Township inspection of that work. All work to comply with the PA UCC as amended. Please call Doylestown Township at 215-348-9915 to schedule inspections at least 24 hours in advance.

PLEASE NOTE: The property owner(s) must sign this application to verify the contractor or tenant has permission from the property owner(s) to do all construction work authorized by the issuance of this permit. Two copies of a site plan with two copies of the appropriate construction documents must accompany this application. In addition, an indexed PDF disc must be included for all new subdivision or amended site plans.

By signing this application, authorization is granted to any municipal representatives of Doylestown Township to access the above property as stated within this application and attached sub-trade permit application at any time, without an administrative warrant, to inspect and verify that any proposed use and/or structure contained within this application and/or that exists on the above property complies with all Doylestown Township zoning and building code ordinances.

The application together with the signed site plan and construction documents is made a part of this application by the undersigned. Furthermore, it is clearly understood and agreed to by the applicant and property owner that the Township office is not responsible for any property dimensions shown on the site plan and establishment of property lines is the sole responsibility of the property owner and applicant. The applicant and property owner also agree they are responsible for the replacement to Township standards of any Township road or infrastructure which is damaged during the building of the permitted structure and understands that the information provided on this application by the applicant(s) and property owner(s) is true and correct to the best of their knowledge or belief, and all information contained in their application becomes part of the public record. The applicant warrants the truthfulness of the information in the application, and that if any of the information provided is incorrect, the permit may be revoked. Furthermore, the application and permit can provide that if the permit is issued wrongfully, whether based on misinformation or an improper application of the code, the permit and certificate of occupancy may be revoked.

Written approval of final inspections will be required from all other agencies issuing permits for this project before a Certificate of Occupancy can be issued.

By signing this application, the applicant certifies that all the information is correct and that the property owner has authorized work and inspection of that work. All work to comply with the PA UCC as amended.
