## **Lane Restrictions Scheduled Next Week on Route 611 (Easton Road) in Bucks County for Sign Installations**

**King of Prussia, PA** – Lane restrictions are scheduled on northbound and southbound Route 611 (Easton Road) in Doylestown Borough and Doylestown and Plumstead townships, Bucks County, on Monday, May 16, through Friday, May 20, from 9:30 AM to 3:00 PM, for overhead sign installations, the Pennsylvania Department of Transportation (PennDOT) announced today.

The work schedule, which is weather dependent, is:

- Lane restrictions are scheduled on northbound Route 611 (Easton Road) between U.S. 202 and Broad Street; and
- Lane restrictions are scheduled on southbound Route 611 (Easton Road) between Ferry Road and U.S. 202.

PennDOT advises drivers to allow additional time for travel on Route 611 (Easton Road) near the work areas because backups will occur.

The work is part of an \$860,000 project to replace large roadside signs across the five-county region.

Kuharchik Construction, Inc. of Exeter, Pa. is the general contractor on the project, which is financed with 100 percent state funds.

Motorists can check conditions on more than 40,000 roadway miles by visiting [www.511PA.com](http://www.511PA.com). 511PA, which is free and available 24 hours a day, provides traffic delay warnings, weather forecasts, traffic speed information and access to more than 770 traffic cameras.

511PA is also available through a smartphone application for iPhone and Android devices, by calling 5-1-1, or by following regional twitter alerts accessible on the 511PA website.
