- A. Pledge to the flag
- B. Public Service Announcement by Chairman:

The Coronavirus (COVID-19) has led to heightened concerns about public gatherings. Doylestown Township is taking precautions and following the guidelines from the State Department of Health and the CDC to prevent the spread of the COVID-19 Virus.

Please be advised that until April 30, 2020 Doylestown Township will close park amenities including all athletic fields, Kids Castle, pavilion 1 bathrooms at Central Park and the Dog Park. The Township will also suspend any Park & Recreation programs and activities. In addition, the Township has cancelled all public events and meetings through April 30, 2020 to insure the health, safety and wellbeing of our community.

Legally the Township is still required to hold the scheduled Zoning Hearing Board meeting on Monday, 3/16 and the Board of Supervisor Meeting on Tuesday, 3/17. We encourage residents to watch the meetings from home on Doylestown Television, Comcast channel 22 & Verizon channel 31. You can also watch the meetings on our website. For those who chose to attend the meeting, please be assured that the Township will use cautionary measures to limit contact.

Though the administrative offices remain open at this time, there are opportunities to conduct township business via email, fax, over the phone and online.

The Township has chosen to be proactive in an attempt to limit the exposure of COVID-19 Virus to our residents, staff and the community.
