Meeting Minutes:

Our dog park Magnets are ready to go at a sell price of \$5.00 each. They will be available for purchase at park orientations and board members can take some to the dog park with them.

Dog CPR lessons were discussed with Janet suggesting we offer classes before or after orientation meetings. No decision was made.

Karen reminded everyone the township building will be closed for 12 to a8 months and they are currently looking for another location for orientation classes.

Kathy Brown attended the annual board meeting and did a brief presentation on the dog park since its opening. Each township organization was asked to present. The Bicentennial project was brought us by Barbara Lyons . We are discussing options for our presentation. Fido Float was approved by Doylestown Township and the announcement was made at our meeting. We will have a combination day of celebration in the fall which will include Howl-O-Ween, 5 year park anniversary, Barkminister, and a dog adoption day.

Janet made the decision to resign from the board at the meeting.

Next orientation is March 18 at 4:30. Kathy Brown, Andrew and anyone else available to help will be in attendance.

A discussion regarding the grounds of the large dog park. We are putting hay down at the entrance areas. In the spring we will seed and rotate areas again. David did some research that indicated a total dollar amount of \$850.00 would be the average cost to aerate, seed and fertilize. Cathy did indicate the township crew knows the best way to treat the land problems. We will follow their advice. If people would like to contribute to the restoration of the land any contributions would go to the Dog Park fund and earmarked for land repair project.

David did indicate he will not be in attendance for March meeting. Ada adjourned meeting with Deb seconding the motion.
