Projects / Events: Fido Float, September 12, 2020: Kathy attended the Fanny Chapman Pool Board Meeting on July 25th to request approval to hold Fido Float this year. The Board gave it's approval. After discussion, the Dog Park Advisory Board determined that we have enough volunteers to hold Fido Float and is in support of holding the event. A meeting will take place on August 4th with Caroline, Karen, Kathy and Jim Foster, Manager of Fanny Chapman Pool, to discuss logistics and plan the event in compliance with health regulations regarding COVID-19. Kathy will report back to DPAB via email after the meeting. Karen will request Doylestown Animal Medical Clinic to attend the event.

Other Business:

Video Sub-Committee - website / orientation: Kathy reported that the PowerPoint presentation will be updated with the narration that the sub-committee prepared. Karen brought the Board up to date on the new and improved Parks and Recreation website and encouraged DPAB members to take a look and give any suggestions. The website has a page for the dog park. Nancy commented that she has a contact who can help with photos for the website.

Survey: The Board discussed when would be a good time to release the survey to dog park members.

Spotted Lanternfly: Kathy prepared a poster that she will post on the dog park kiosk this week informing members of actions being taken to protect the trees from this pest.

Facebook Page: The dog park Facebook page was prepared by the Friends of the Doylestown Dog Park (FDDP) when the dog park was originated, before it was turned over to the township. Kristen recently agreed to be the current administrator. She requested input on how to move

forward with the Facebook page. Stephanie stated that the current page should be shut down and users directed to the Parks and Recreation website. The Board thanked Kristen for taking care of removing the page.
