## New Business

- Traffic Complaint - On-line submission – Nancy Thomas – Edison-Furlong & Kutz Mark

11-008836 TAC  
Complaint.pdf

**Recommendation:** Follow up letter to Ms. Thomas from the police, indicating the current status of the left arrow onto Edison-Furlong from Rt. 611 (additional follow-up with Dave – see below). Additional discussion on the Kutz/Easton Rd. merge was inconclusive – and our options are limited with it being a state road. The status of funding for the blinking light on Turk was also discussed – it is pending CB District funding for ½ of the cost.

- Traffic Complaint – Police Department – Linda Klein – Cherry Lane Chief White

12-000229

**Recommendation:** Additional monitoring be applied to Cherry Road in the future. Follow up letter to Ms. Klein from the police.

## New Development within the Township

- None

## Old Business

- Options to further reduce speeds on Sauerman or Turk All
  - **Action item:** Chief White to follow up with Lower Gwynedd on their experiences to date with portable speed bumps
  - **Action item:** Dave to provide committee with financials on installation of a portable speed bump, along with pluses and minuses.
- What is status of left-hand turn for north bound 611 at Edison-Furlong? Tomko
  - **Action item:** Dave to follow up with PennDOT on the status of our requests (see above complaint from Ms. Thomas)

## Updates:

- Speed statistics Chief White

Statistics  
01\_11\_2012.pdf

**Discussion:** Speeds on most roads are in bounds, with the exception of Sugar Bottom. Enforcement and monitoring via the speed boards is continuing.
