This issue was also cited in a DVRPC report. <i>[See attachment: Etta - Duane Road]</i> Check for the Do Not Block Intersection signs - small one exists Paul DiNella also attended emphasizing the issues with the intersection Dave and Chief Logan need to make a recommendation and submit. Thoughts include: a small concrete median to prevent using the center dual turn lane to bypass northbound traffic and queue for lefts on 7-11 or Edison-Furlong, don't block the box markings (recommended by DVRPC). Left turn from Duane onto southbound 611 is also dangerous. Accident stats should be pulled. 	Mark
