

**Doylestown Township
Public Water & Sewer Advisory Committee Agenda
September 28, 2017 @ 5:30 PM**

- **Minutes Approval from July meeting (without a quorum during the August meeting we were not able to approve the July meeting minutes)**
- **Minutes for September meeting: assign someone to take the meeting minutes for this month and October.**
- **Guest Introduction: (If any)**
- **Phase 1 Update from Stephanie and Dave**
- **Phases 2 & 3:**
 - **Updated permit and repair/replacement data from Joe Delikat and Joe Krumenacker.**
 - **Maps: All members please bring your maps for Phases 2 & 3. Please also bring several colored highlighters to update the maps.**
 - **Our goal by the end of this meeting should be to have a defined area for Phases 2 & 3. At the moment the area spans a large section of the township. A more defined area (i.e. Pebble Ridge and Wood Ridge) should also help define the “need” for Public Sewers within a specified area without including large areas without a defined need.**
- **New Business / Announcements:**
 - **TBD**
- **Adjournment**
