Dear Resident:

On behalf of the Doylestown Township Board of Supervisors, allow me to welcome you as a new resident to Doylestown Township.

Being new to an area can be difficult. Just finding where places are located and what services are provided can be challenging. Because of this, we have put together this New Resident Packet in hopes of making your transition to our community a smooth one.

Enclosed please find information on our Township Boards and Commissions, voter registration, recycling, water, taxes, and parks and recreation. If you have any questions concerning any of the information provided, please feel free to contact the Township Administration offices, between the hours of 8:30 AM to 4:30 PM Monday through Friday. For information on township events, check out our website at [www.doylestownpa.org](http://www.doylestownpa.org).

Again, welcome to Doylestown Township. We hope you enjoy living here as much as we do!

Sincerely,

A handwritten signature in blue ink, appearing to read 'Jennifer Herring', is positioned above the printed name.

Jennifer Herring  
Chairman

# Your Elected Officials

The Board of Supervisors consists of elected officials serving six-year terms. The Board performs primarily legislative functions. These include setting policy, enacting ordinances, and resolutions, adopting budgets and levying taxes. The Board also appoints and supervises the Township Manager, who oversees the day-to-day administration of Doylestown.

The Board of Supervisors meets every third Tuesday of every month at 7 PM. All meetings are conducted in the Community Meeting Room in the Township Building located at 425 Wells Road, Doylestown, PA.

# NEW RESIDENT REQUIREMENTS

Doylestown Township does NOT currently require a Use & Occupancy permit/inspection for residential resales. This means that our Code Enforcement Department will not inspect your property or charge permit fees if you purchase a new home in Doylestown Township. However, since we do not require these types of inspections, it can become difficult for us to know when ownership changes. This is why it is important that our new residents file a **Deed Registration** and **Move-In Registration** with the Township's Code Enforcement Office.

## DEED REGISTRATION

Ordinance 218 requires that a copy of the deed registration be supplied to the Township when a residential or commercial property is sold. A completed **Deed Registration Form** can be returned to the Township along with the **\$10 fee**. If you submit the Deed and Registration Form with the \$10 fee by mail, enclose a self-addressed envelope if you wish a receipt. Your title company may do this for you at closing, but please feel free to contact the Township Administration Offices to confirm.

## MOVE-IN-REGISTRATION

Ordinance 258 requires that all those moving into the Township register using the **Move-in Registration Form**. Landlords are required to register the names and ages of their tenants and provide updates when tenants change. There is no charge to file the Move-in-Permit.

*Scan the QR codes with your device and access the forms on our Township website.*

**DEED REGISTRATION - Township Ordinance# 218**  
**Township Code Chapter 131**

**Office Hours: Monday through Friday - 8:30 a.m. to 4:30 p.m.**

All real estate transfers within Doylestown Township require this form, a copy of the deed & Move-In Permit be filed at the Township Building.

**Please complete this form and include a copy of the deed along with a payment for \$10.00 made out to Doylestown Township.**

# DTMA ALERTS

**Providing accurate customer contact information is essential to ensure we can establish and maintain communication.**

The Doylestown Township Municipal Authority (DTMA) has a new high speed mass communication and notification system. The implementation of the communication system will improve the speed and efficiency with which the authority can convey important information to the public related to the public water supply.

The messages will go directly to the preferred phone number supplied to us by the customer in both emergency and non-emergency situations. This will give the authority the capability to contact all customers within a short period of time if necessary.

The authority will also have the option of contacting specific groups of customers within a geographic area affected by a localized situation, such as a water main break, temporary service interruption, or traffic detour due to construction or repair work.

Please add Doylestown Township Municipal Authority to the list of entities you provide with updated contact information as it changes. Only with your cooperation can we ensure you are contacted in a timely manner should the need arise. If you have any questions or concerns, please contact Koun Lim by emailing [klim@doylestownpa.org](mailto:klim@doylestownpa.org) or calling 215-348-9915.

**Please print and complete the form below, then return it using one of the following methods:**

# Septage Management Program

## Doylestown Township passed Ordinance No. 299 in 2001.

This ordinance requires all residents who currently have on-lot disposal systems (septic systems) to have them inspected by a Doylestown Township approved pumper/hauler/installer every **three years**. And, if you also have a private well for water to have it tested for coliform (E-Coli) every **three years**.

## Why You Need Your Septic System Inspected.

**Protect your property value:** An unkempt septic system can lower your property's value and could potentially cost you in legal liabilities.

**Protect our eco-system:** Contaminated wastewater poses a threat to our local environment. Malfunctioning septic systems can disperse bacteria and toxins to our natural waterways, which in turn can spread into our towns wildlife, endangering native plants and species.

**Protect you and your neighbor's health:** Wastewater can contain disease causing bacteria and toxic chemicals. If maintained properly, a septic system will filter and remove most of these dangerous substances. Otherwise, it can leak causing groundwater contamination, spreading disease to yourself and your neighbors in various ways.

## What You Need to Know

The program will be administered by mail notice on the basis of permit status.

So, you no longer must keep track of what cycle you are in or when you need inspection. Just keep your eye out for a notification card from the township in your mail.

When your current On-Lot-Disposal Inspection Permit expires, this reminder will notify you that your septic system is due for inspection by the end of the year.

Keep in mind that it is best to have your private well water tested around the same time you are having your septic system inspected, as is also required by Ordinance 299.

Scan the QR code to see the list of approved pumper/ haulers and certified drinking water labs.

# Parks and Recreation

Visit us at [www.doylestownrec.com](http://www.doylestownrec.com)

Doylestown Township prides itself on the diverse activities and facilities its Parks and Recreation Department offers to both residents and visitors.

Central Park (located at 425 Wells Road) spans 140 scenic acres and features nature trails, the Education & Game Groves, soccer fields, tennis courts, picnic areas, bocce ball courts, and the beloved Kids Castle play structure. Two covered pavilions are available for rental—perfect for summer parties, reunions, or casual gatherings. Central Park is also home to the C&N Amphitheater, which hosts the Thompson Performing Arts Series each summer.

## **New to Central Park:**

Exciting additions to Central Park include the Community Recreation Center (CRC), brand-new outdoor sports courts, and a permanent restroom facility conveniently located between Kids Castle and the amphitheater. The CRC will provide year-round indoor recreation with multipurpose rooms, community meeting space, and programs for all ages. Just outside, the new sports courts feature basketball, pickleball, tennis, and bocce—offering expanded outdoor recreation options for park visitors of all interests and abilities.

Beyond Central Park, Doylestown Township's Parks & Recreation system includes:

- **Turk Park I** - Baseball fields and a football field
- **Turk Park II** - Baseball fields, multi-purpose fields, fitness trail, playground, and sand volleyball court
- **Dog Park** - Off-leash Dog Park and multi-purpose fields
- **Bridge Point Park** - Open grounds for passive recreation
- **Castle Valley Park** - Quiet nature trail
- **Sauerman Park** - Baseball field, woodland trail, and picnic area
- **Triangle Park** - 3-acre green space featuring a sculpture honoring Township public servants, volunteers, and veterans—a peaceful spot for reflection.

Our department also offers a wide variety of programs for all ages year-round, including fitness, educational classes, summer camps, and even special events for dogs!

Discounted amusement park tickets are available during the summer months, and reduced-price movie tickets are offered year-round.

To learn more about the Parks and Recreation Department—including park descriptions, program guides, ticket discounts, pavilion rentals, and a calendar of events—please visit [www.doylestownrec.com](http://www.doylestownrec.com).
