Re: Doylestown Township/BCWSA Pebble Ridge Woodridge Sewer Project

Dear Resident,

As of December 20, 2023, BCWSA assumed the loan from Penn Vest that funded the Pebble Ridge Woodridge Sewer Project. Accordingly, BCWSA will now be collecting the payments for the loans covering the \$20,134.14 owed for your property. Some amounts will differ for those who prepaid partial amounts. The monthly payment for 20 years will be calculated based on amount owed and will be presented as its own bill separate from your sewer bill.

If you have any questions, please contact BCWSA at 1-800-222-2068, Option #7 to be connected to Customer Service.
