CENTRAL PARK CONSTRUCTION ALERT!

General: Parking at Central Park has been significantly reduced due to the park improvement construction project including the Community Recreation Center, Court complex and parking expansion/realignment. When coming into Central Park from the main Wells Road Entrance (one-way road) parking is available in the lots adjacent to the Amphitheater and near the exit of the park exit. Additional parking is available at the New Britain Road entrance to Central Park with trail connections throughout the park and to park amenities.

Summer Concerts: Parking will be limited and likely to fill quickly, and we suggest arriving early and carpooling when possible. Township staff will be on hand to assist as best as possible until full. As we get closer to the start of the concerts, please check our website, www.doylestownpa.org for a map of approved concert parking in and around the park. As we turn the corner to the warmer spring/summer seasons and increased park visits, we ask for your patience and cooperation through these growing pains!

FUN IN THE SUN SAFETY TIPS

Summer is a great time to head outdoors. With a few easy steps, you can stay safe and comfortable during the summer months.

- **Wear sunscreen** - The sun's rays damage your skin, resulting in sunburn which over time could lead to cancer.
- **Stay cool in extreme heat** - Limit your time outdoors and avoid strenuous activities. Too much exertion can lead to heat exhaustion or heat stroke.
- **Stay Hydrated** - Drink plenty of fluids, and don't wait until you are thirsty. Heat causes your body to lose water, salt, and minerals through your sweat. Don't forget, young children and pets also need plenty of water.
- **Cover Up** - Wearing a wide-brimmed hat, sunglasses and clothing that covers your body and taking breaks in the shade also helps limit exposure.
- **Insects** - Clothing that covers your limbs can help protect you from mosquitos and ticks. Check for ticks if you've been outside in grassy, or wooded areas. Be sure to check your pets also.

CENTRAL PARK 9-HOLE DISC GOLF COURSE

Did you know that disc golf is recognized as one of the fastest growing sports?

Played a lot like traditional golf but instead of a ball and clubs, players use a disc. Invented in the 1970's, disc golf is similar to traditional golf, with participants trying to complete each hole in the fewest number of strokes or "throws." The disc is thrown from the tee area to a target (the hole) which is typically an elevated metal basket. After a player throws down the fairway, the next shot is taken from the spot where the previous throw has landed. Trees and other natural landmarks located in and around fairways make the game more challenging. When the putt lands in the basket the hole is completed. The more you play the more fun it becomes.

FIVE REASONS TO TRY DISC GOLF:

1. It's essentially free once you have your disc golf equipment
2. It's more fun than you probably assume
3. You'll have a network of new friends
4. It's surprisingly good for your health
5. It's super easy to learn

Stop by DTOWN Disc Golf (www.discgolfmarket.com) for supplies and to learn more about this fun sport.

SHARED USE TRAILS

Understanding Shared-Use Trail Etiquette can make trails more enjoyable for everyone, it's important that you understand trail etiquette. Follow these steps:

- Respect other users; expect other users. Show courtesy. Respect wildlife. Respect public & private property. Leave no trace.
- Be friendly and courteous. Greet other folks with a simple "Hello!" or "Nice day today!"
- Bicyclists should yield to everyone. Runners yield to walkers. Downhill traffic yields to uphill traffic. When in doubt, give other users the right of way.
- Announce yourself when approaching others, especially from behind. If you're in a group, avoid blocking the trail.
- Stay on the trail. Creating your own path or cutting switchbacks creates erosion, damages habitat and natural resources.
- Operate within your ability at all times. Remember that situations can get out-of-control fast if you're not attentive!
- Be considerate, keep dogs leashed and under control at all times. Other trail users don't know your dog is friendly.
- Bring water, snacks, maps, and other equipment you may need. Know where you're going and tell someone else your plan.
